I refer to your information request dated 21 October 2023 made under the Official Information Act 1982 (the Act). You have requested:

“the individual 300-level GPAs of all Psychology majors at 300-level”.

Subject to the following comments, please see attached the information you have requested:

- The GPA data provided is as at 14 November 2023.
- The data includes the GPAs of all students who are enrolled in a Psychology Major for any Undergraduate Bachelor programme and who are enrolled in at least one 300-level Psychology paper in 2023.
- The [GPA value is calculated](#) from the results of all the papers the student was enrolled in in 2023.
- Students who are enrolled in 300-level papers in 2023, but do not yet have results for these papers on their record (i.e. enrolled in Semester 2 2023 papers only), are excluded from the data.

I trust that this information will be helpful.
