

Appendix A

Racing Integrity Board – Conflicts of Interest

Kristy Pearl McDonald KC ONZM (chair)- None declared.

Neville Owen Harris QSO- Declared that he has been providing part-time advisory services on ad hoc matters to the Racing Integrity Board. However, will cease this role when appointed to the Board. The Minister expects that any such conflicts, whether potential or real, be promptly brought to the attention of the Chair of the Board. The Chair will assess if the conflict can be managed through a conflict-of-interest management plan. In the event that the conflict cannot be managed effectively, the Minister is expected to be informed at the earliest opportunity.

Brent Donald Williams- Declared that he may have possible conflicts of interest through his horse ownership or business interests. The Minister expects that any such conflicts, whether potential or real, be promptly brought to the attention of the Chair of the Board. The Chair will assess if the conflict can be managed through a conflict-of-interest management plan. In the event that the conflict cannot be managed effectively, the Minister is expected to be informed at the earliest opportunity.

Dr Patricia (Trish) Valerie Pearce - Declared that she may have conflicts of interest through her veterinary practice or business interests. The Minister expects that any such conflicts, whether potential or real, be promptly brought to the attention of the Chair of the Board. The Chair will assess if the conflict can be managed through a conflict-of-interest management plan. In the event that the conflict cannot be managed effectively, the Minister is expected to be informed at the earliest opportunity.

Penny Mudford ONZM - Declared that she may have possible conflicts of interest through her appointment as Chair of the Racing Safety Development Fund Board. The Minister expects that any such conflicts, whether potential or real, be promptly brought to the attention of the Chair of the Board. The Chair will assess if the conflict can be managed through a conflict-of-interest management plan. In the event that the conflict cannot be managed effectively, the Minister is expected to be informed at the earliest opportunity.
