Tēnā koe Nicky,

Thank you for your request, received on 27 November 2023, for the following information under the Official Information Act 1982 (the Act):

- *The missing half-hourly data for September on electrical generation and consumption at various locations.*

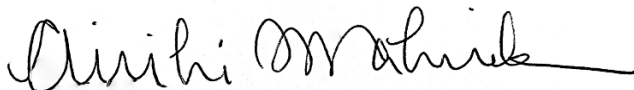

This data is sent to us each month by NZX and we publish the data we receive. NZX has now resupplied the file and it has been published again on [our EMI website](#).

We do not rely on the data internally for any reporting or analysis, so had not previously identified that the September data you requested was missing. Nobody else has been in contact with us about the missing data either.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact us by emailing [oiia@ea.govt.nz](mailto:oiia@ea.govt.nz).

Nāku noa, nā,

Airihi Mahuika
