Your request for Official information, reference: HNZ00032719

Thank you for your email on 21 November 2023, asking for the following in relation to the financial aspects of healthAlliance under the Official Information Act 1982 (the Act):

- 1. Funding Insights: I'm curious about the various sources that contribute to healthAlliance's funding. Could you share details about where the funding comes from, including government allocations, service fees, or any other significant revenue sources?*
- 2. Financial Overview: For a broader understanding, I would love to see the most recent financial statements or annual reports. It would help me get a sense of how healthAlliance manages its financial resources.*
- 3. Spending Breakdown: I'm particularly interested in how the budget is allocated and spent. Could you provide a breakdown of the last year's expenditures, especially highlighting areas like operational costs, service provision, and staff remuneration?*
- 4. Resource Allocation: Lastly, I'm curious about how funds are distributed across the various services and projects healthAlliance undertakes, especially in support of the District Health Boards.*

In response to your request, Te Whatu Ora refers you to the *healthAlliance NZ Limited Financial Statement 30 June 2022* document, enclosed as **Attachment 1**.

On 27 June 2022, healthAlliance was absorbed into Te Whatu Ora | Health New Zealand by the Health Sector Transfers (District Health Board Shared Services Agencies to Health New Zealand) Order 2022.

In addition to Attachment 1, please note that the entities previous annual report was for year end 30 June 2021, and was published on the New Zealand Parliament website [here](#).
