Dear Harwood

I refer to your official request of 26 December 2023 for copies of maps of Oxford Rural No.1 Water Supply One. Accordingly, please find attached a general map indicating the location of the water mains in the Watson Reserve/ Rockford Roads area (**Attachment A**).

However, more detailed information is available from the Council's Openmaps Website at <https://openmaps-waimakariri.hub.arcgis.com>. As this is an electronic version, it allows scrolling in to a higher definition, at which point the details on restrictors, pipe sizes and fire hydrants can be seen. This is likely to be more useful than a large number of plans showing the detailed information for each asset.

In addition, this map allows scrolling out to a larger scale, in order to view the full extent of the Oxford Rural No.1 water supply.

Also, general information regarding the Oxford Rural No.1 Water Supply can be accessed via the Council's website at https://www.waimakariri.govt.nz/data/assets/pdf_file/0022/129253/Oxford-Rural-No.-1-Water-Supply-Scheme-Activity-Management-Plan-2021.pdf.

I trust this answers your current query.

Yours sincerely

Sarah Nichols
