Dear Steve

Request for information

Thank you for your Official Information Act 1982 (OIA) request of 29 December 2023. You requested:

The unformed legal road section of Te Toiroa Road is near Ngunguru, in Northland. It runs between the formed part of Te Toiroa Road and the end of Pukenui Road. It's a single-lane track crossing an escarpment. Signposting indicates that it is shared by walkers, cyclists, horse riders, motorcyclists, and other motor vehicle drivers.

I'd like to know the number and type of vehicle-related incident complaints made to the police concerning this track (legal road) from mid-2018 to the present.

We have searched all incoming calls from 01 January 2018 to 24 January 2024 and can advise there have been 2 phone calls where the location has been given as Te Toiroa Road.

29 July 2021 – Vehicle speeding around corner, almost flipped
29 April 2022 – Vehicle parked on road/ditch – possible vehicle crash

Please note that as part of its commitment to openness and transparency, Police proactively releases some information and documents that may be of interest to the public. An anonymised version of this response may be publicly released on the New Zealand Police website.

Yours sincerely

T Morgan
