Your request for official information, reference: HNZ00035576

Thank you for your email on 9 January 2024, asking for the following under the Official Information Act 1982 (the Act):

"I request a list of currently funded Mental health and addiction lived experience projects or initiatives or groups"

We contacted you on 31 January 2024 asking you to refine your request as your request is very broad, we advised if it was not refined, we may need to decline your request. We did not receive a reply to this request for refinement.

As such, I refuse your request under section 18(f) of the Act. Your request for all information is very broad, and substantial manual collation would be required to locate and prepare all documents within scope of your request.

I have considered whether fixing a charge for the supply of the information or extending the timeframe for response would enable Te Whatu Ora to respond. I do not consider that either option would remove the impact that supplying the information would have on our other operations.

How to get in touch
