Dear Patrick,

**Local Government Official Information and Meetings Act 1987 (“LGOIMA”):  
Request for Information**

I refer to your emails dated 15 January 2024 requesting information on all the bus route changes and additions proposed under the Greater Christchurch Public Transport Futures programme.

Environment Canterbury is in the process of finalising the Consultation Document for the Long-Term Plan 2024-2034, which is scheduled for discussion at the Council meeting on 28 February 2024. The information you are seeking will be available in this document, publicly accessible on our website <https://www.ecan.govt.nz/get-involved/council-and-committee-meetings>, from 21 February 2024.

This Consultation Document will now drive the programme delivery and timeframes rather than the indicative business case which has previously guided the Public Transport Work Programme: [Future public transport | Environment Canterbury \(ecan.govt.nz\)](https://www.ecan.govt.nz/future-public-transport).

You will be aware that if you are not satisfied with this response, you are able to refer this matter to the Office of the Ombudsman under s27 (3) of the Local Government Official Information and Meetings Act 1987.

Should you require any further information or clarification, please do not hesitate to contact [LGOIMA@ecan.govt.nz](mailto:LGOIMA@ecan.govt.nz) in the first instance.

Yours sincerely,

Giles Southwell  
Director Corporate and Public Transport Services
