Kia ora John

Just following up on my Teams message, unfortunately it looks like there were data entry issues with the following to voting places:

- Pukekohe Intermediate
- Karaka Pavilion, NZ Bloodstock Centre

Can you please send me the following for these two counts?

- hand-completed EMS81-WKSHEETS
- EM81-WKSHEET once entered into EMS
- signed EMS82-CERT for both of these counts

We just need to take a look at the information and confirm the correct count, prior to potentially doing any updates on it. If you can get these to me ASAP, I'd be very grateful.

Ngā mihi

Adele
