Dear Mr Bodnar

Request for information 2015/021

I refer to your request for information dated 6 March 2015, which was received by Greater Wellington Regional Council on 6 March 2015. You have requested the following information:

“1) the locations, represented by Metlink stop IDs or latitude/longitude if IDs don’t exist, of shelters that have been built with Greater Wellington funding since 2007; and

2) whether the shelter was replacing an existing shelter or a new shelter where one didn’t previously exist.”

Attached is an excel spreadsheet containing all of the information within the scope of your request that Greater Wellington Regional Council has identified as holding. Please note, the information only goes back as far as 2008 as prior to this detailed records were kept by territorial authorities.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Yours sincerely
