RE: Official Information Act request - Staff [#D32AO]

Thank you for your enquiry regarding staff positions at Environment Canterbury (Canterbury regional Council) and the number of staff in those positions, received by email on 25 May 2012.

In response to your query, please find attached a list of position titles, and the numbers of staff in those positions.

Please note, the only staff member directly employed by the Canterbury Regional Council is the Chief Executive.

All other staff are employed by the Chief Executive.

We have provided the positions and staff numbers for the other roles within the Council (directly employed by the Chief Executive) as we believe this is the information you are actually seeking.

We have no documentation regarding any proposal to amalgamate Environment Canterbury with any of the neighbouring Councils during the term of the Commissioners.

Yours sincerely

Miles McConway
Director Finance & Corporate Services
