Dear J. Turner

Request made under the Official Information Act 1982

Thank you for your email of 15 February 2024 requesting the following information under the Official Information Act 1982 (the Act):

*I am writing to ask for an update on the research on intersection safety which was begun in 2017 and is listed on this page: www.nzta.govt.nz/walking-cycling-and-public-transport/cycling/cycling-research. "The AA and Waka Kotahi NZ Transport Agency are jointly funding research, beginning in February 2017, into ways to make intersections safer and more comfortable for cyclists and motorists. A pilot study will begin in February 2017."
Please come back with any outcomes of this research, and if there are none, an explanation for what happened to this study.*

The results of the study can be found at:
www.aa.co.nz/about/aa-research-foundation/programmes/cycling-safety/
