Tēnā koe Mari

Thank you for your Official Information Act request to the Ministry of Health – Manatū Hauora on 20 February 2024. Your request has been forwarded to Health New Zealand – Te Whatu Ora (Health NZ) to respond.

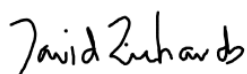

Please be advised that there are no specific clauses or conditions of funding which prohibit Hato Hone St John (HHStJ) from sharing information with the public, however, it is expected that HHStJ comply with the Health Information Privacy Code (HIPC) and other relevant legislation including but not limited to the Accident Compensation Act 2001, the Privacy Act 2020 and the Health and Disability (Safety) Act 2001.

Hato Hone St John and Wellington Free Ambulance regularly share health information with the public in forms such as the Out of Hospital Cardiac arrest report, found here: [www.stjohn.org.nz/news--info/our-performance/clinical-audit-and-research/cardiac-arrest-annual-report/](http://www.stjohn.org.nz/news--info/our-performance/clinical-audit-and-research/cardiac-arrest-annual-report/) and through their clinical audit and research team: [www.stjohn.org.nz/news--info/our-performance/clinical-audit-and-research/research-stjohn/](http://www.stjohn.org.nz/news--info/our-performance/clinical-audit-and-research/research-stjohn/).

Health NZ regularly updates monthly reports, including volume data broken down by acuity and performance, on our website. You can find ambulance performance reports, which may provide you with the information you are seeking, at this link: [www.tewhatauora.govt.nz/whats-happening/who-were-working-with/naso/naso-publications/](http://www.tewhatauora.govt.nz/whats-happening/who-were-working-with/naso/naso-publications/).

Thank you again for taking the time to write. I trust this information is of assistance.

Nāku noa, nā
