Tēnā koe, John,

### **Official Information Act 1982 (OIA): CAC Member Publishing**

I refer to your official information request dated 18 January 2024 for the following.

*"May I kindly seek further information for the timeline of publishing the CAC if there is a timeline. Also what sort of information (you have decided) will be publish online and would you be able to let me know by replying to this email once the link is available to the public?"*

*In the email, you have mentioned seeking consent, is there a form for CAC member to sign or what sort of consent you are talking about here."*

We have considered your request under the OIA.

### **Information being released**

We can confirm that we have determined at this time to publish the names of CAC panel members on our website. We are currently working through the timeline for publication, but anticipate that it will be within the next month. We will notify you as requested once this has been completed.

In terms of consent, we have contacted all CAC panel members outlining our intention to publish names on the REA website and sought any objections or concerns around the publication. This process was concluded on 9 February 2024.
