Hi team,

Happy to have a chat about this one, because I'm not entirely sure how it works when there's a political part and an agency part?

Could you please provide a response to the portion of the OIA highlighted in yellow, the decision-making materials received in relation to the appointment of Janita Pillisi to CNZ Board. Due to the requester 4 June, so if we could have this back 4pm Thursday 30 May...?

From my reading, the portion that is highlighted in blue is for my office to complete.

@India – Can you please pick this up?

There is a space in the response letter for the Office to include any materials found that are on the political side of the fence. I don't believe any of you have found any material in scope, so this may be a s18(g) info not held.

Hiya,

Please see attached the response for the CNZ Appointment OIA for Hugh J Coon.

There is a space in the response letter for the Office to include any materials found that are on the political side of the fence. I don't believe any of you have found any material in scope, so this may be a s18(g) info not held.

I have also sent a copy of this information (attached) to CNZ for their information, noting there may be changes prior to release.

Thanks Harriett. I'd like to change it slightly so we explicitly mention the legislative basis for the extension.

9(2)(a) - could we please send the following -

Dear Hugh,

I refer to your official information requested dated 7 May 2024 for any and all correspondence Minister Goldsmith had on the appointment of Janitta Pilisi to Creative NZ board.

A response to your request is being prepared. However, due to the external consultation required, a response cannot reasonably be made within the original time limit. Accordingly, I am extending the time limit for response to this request under section 15A(1)(b) of the Act by 20 working days to 28 June 2024.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Thank you!

Hiya,

9(2)(a) are you happy with the below extension email?

9(2)(a) if 9(2)(a) is happy with it, would you be able to send it out?

Dear Hugh,

I refer to your official information requested dated 7 May 2024 for any and all correspondence Minister Goldsmith had on the appointment of Janitta Pilisi to Creative NZ board.

The OIA requires that we advise you of our decision on your request no later than 20 working days after the day we received your request. Unfortunately, it will not be possible to meet that time limit, and we are therefore writing to notify you of an extension of the time to make our decision, to 28 June 2024.

This extension is necessary because the consultations necessary to make a decision on your request are such that a proper response cannot be reasonably made within the original time limit.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Hi Harriet,

Pulling all the material relating to OIAPG113 into one place.

As discussed, could we please present the OIA response as being one list of documents, rather than separating out the two elements of the request/splitting office and MCH.

Can MCH please compile the various documents and redact as necessary –

- personal details of Ministerial Office staff
- advice tendered by the Minister
- free and frank advice and information out of scope (not strictly related to Janita's appointment).
- Legally privileged

Happy to chat – thank you.

Kind regards,

I refer to your official information requested dated 7 May 2024 for any and all correspondence Minister Goldsmith had on the appointment of Janitta Pilisi to Creative NZ board.

A response to your request is being prepared. However, due to the external consultation required, a response cannot reasonably be made within the original time limit. Kia ora,

This OIA response has been extended by the office and is now due on 28 June.

Per the below email, the office has asked that MCH edit the response so that it is one response rather than being split in two sections. This is primarily because there is no significant communication in scope from this office.

The additional materials that have been sourced by the office are attached.

Can these please be reviewed and redacted as appropriate by MCH? I am happy to defer to the team as to a realistic timeframe to get this done, I know you're all under the pump at the moment.

Ngā mihi

If you are a senior staff member at an organisation, or meet with the Minister in your personal capacity, your name may also be released. The location of the meeting will be released, unless it is a private residence. The proactive release will be consistent with the provisions in the Official Information Act, including privacy considerations. Hi Harriet,

Pulling all the material relating to OIAPG113 into one place.

Could we please present the OIA response as being one list of documents, rather than separating out the two elements of the request/splitting office and MCH.

Can MCH please compile the various documents and redact as necessary –

- personal details of Ministerial Office staff
- advice tendered by the Minister
- free and frank advice and information out of scope (not strictly related to Janita's appointment).
- Legally privileged

Happy to chat – thank you.

Kind regards,
