

## OIA2324-1073 Appendix A

### Caveats to data:

1. The data was collated on Monday 17 June 2024 and is accurate as at this date.
2. Because this table contains country of birth data and very small numbers, counts of less than 5 have been masked with <5 to prevent identification of individuals. Row and column totals have not been provided as these could be used to determine masked values.
3. As the data is extracted from dynamic systems, there may be small variances when compared with prior or future datasets.
