I refer to your information request dated 23 September 2024 made under the Official Information Act 1982 (the Act). You have requested the top 280 confirmed individual-level grade averages across the Health Sciences First Year (HSFY) Semester 1, 2024 papers, domestic students only, and that this data be broken down into grade averages with 0.25 increments (e.g. 99.75, 99.5, 99.25...), rather than rounded to the nearest whole number. This includes the papers HUBS191, CELS191, PHSI191 and CHEM191.

Subject to the following comments, please see below the information you have requested.

- the data is correct as at 16 September 2024.
- The below table shows the cumulative individual average academic scores for the top 294 HSFY domestic students at the University of Otago across all four of the Semester 1, 2024 HSFY papers (HUBS191, CELS191, PHSI191 and CHEM191). Please note that this data includes students specifically enrolled in HSFY only, and excludes students enrolled in other programmes (e.g. Bachelor of Science) who were enrolled in all four Semester 1, 2024 HSFY papers.
