## INFORMATION REQUEST

On 21 July 2024 you asked for copies of LGOIMA requests. Here is our response to your questions:

**I wish to have a downloadable format of all LGOIMA requests made to the Tauranga City Council for the past 5 years please.**

**I understand that all responses are in the public domain and it is stated on the webpage linked below, that "Some which may be of interest to the wider public are published below."**

**I would like access to all of the LGOIMA requests within the last 5 years in a digital format please.**

**<https://www.tauranga.govt.nz/council/about-your-council/information-requests/lgoima-responses>**

Across the last five financial years we received 1639 LGOIMA requests. To provide you with every request from the past five years would require extensive time to collate, review and redact personal information. At ten minutes per request, we estimate this would take more than 200 hours. As such, we decline to provide you with copies of all requests from the last five years. If you are looking for specific requests or types of requests, please refine your request.

We proactively publish responses on our website that are of wider public interest. These include requests over the past five years. In the 2023/2024 financial year we published 164 responses. The requests are detailed in these response letters and can be downloaded from the link you included in your request.

This request and the response have been considered under the LGOIMA<sup>1</sup>. We decline your request for all LGOIMA requests for the past five years under section 17(f) *that the information requested cannot be made available without substantial collation or research.*
