

**Table 1 – School buildings in High seismic zone confirmed below 34% NBS.**

**(Building Act remediation timeframe – 7.5 years)**

School Name	Building Number	Building Typology	% NBS Rating / status
Burnside High School	Block V (I Block)	Two storey classroom block	15 (to be demolished 2024)
	Block JX (J Block)	Two storey classroom block	15 (to be demolished 2024)
Kirkwood Intermediate	Block 1 (Hall)	Single-storey, timber-framed	15 (Construction planned to commence end of 2024)
Napier Boys' High School	Block G (Gym)	Single-storey, timber-framed	30 (Design underway)
Onslow College	A (Technical)	Single-storey, timber-framed	30 (Planning underway)
	C (Cafeteria)	Single-storey, timber-framed	30 (Planning underway)
Palmerston North Girls' High School	D (Stephens)	Two storey classroom block	<34 (Construction commenced November 2021 with the final stage to commence October 2024)
Porirua East	1 (C Rm Admin)	Single-storey, timber-framed	15 (Construction commenced early 2024 and expected to be completed end of 2024)
	3 (5 C Rm Junior)	Single-storey, timber-framed	15 (Construction commenced mid-2024 and expected to be completed early 2025)
Rongotai College	EC (Recreation)	Single-storey, timber-framed	26 (Not in use - proposed to be demolished in 2025)
Taihape Area School	A (Main Block)	Two storey classroom block	15 (Proposed to be demolished in 2025)
	A (Gym)	Single-storey building with part basement	15 (Construction planned to commence 2026)
Taita College	R (New Gym)	Single-storey building	<34 (Planned to start in 2026/7 as part of the schools 10-year property plan)
Wairarapa College	Sutherland Block	Two storey admin and teaching block	20 (In Construction)

School Name	Building Number	Building Typology	% NBS Rating / status
Wellington Girls' College	K (Pipitea Block)	Four storey teaching and admin block	<34 (Design complete)
	G Brook Block	Four storey teaching and admin block	15 (Planning underway)
Wellington High School and Community Education Centre	A Block + Services Tower	Five storey teaching block	25 (Planning underway)

Released under the Official Information Act 1982

**Table 2 – School buildings in Medium seismic zone confirmed below 34% NBS.**

**(Building Act timeframe – 12.5 years)**

School Name	Building Number	Building Typology	% NBS Rating
Hamilton Girls' High School	H (Hepburn)	Three storey teaching block with part basement	<34 (Strengthening design expected to commence end of 2024)
	G (Gym)	Single storey building with part basement	20 (Proposed to be demolished, replacement gym in design stage)
Tauranga Girls' College	J1 (Block J1 Faculty of Science)	Four storey teaching block	15 (In construction and expected to be complete end of 2024)
Whanganui City College	B (Tower Block)	Six storey teaching block	25 (Project planning to commence by the end of 2024)

Released under the Official Information Act 1982

**Table 3 – School buildings in Low seismic zone confirmed below 34% NBS.**

**(Building Act remediation timeframe – 35 years)**

School Name	Building Number	Building Name	% NBS Rating
Alfriston College	4 (Whaingā)	Two-storey teaching block	21 (Design commenced)
	5 (Kaitāki)	Two-storey teaching block	21 (Design commenced)
	101073/76/77 Spine Block (Admin, Technology, Performing Arts, Music & Library)	Two-storey admin and teaching block	25 (Design commenced)
	101078 (Kaitōro)	Two-storey teaching block	21 (Design commenced)
	101078 (Tirohanga)	Two-storey teaching block	21 (Construction to commence end of 2024)
	Whānau (Auaha)	Two-storey teaching block	21 (Design commenced)
	Mt Roskill Grammar School	HL (Hall)	Single-storey building
Otago Boys' High School	F (Shand)	Two-storey teaching block	<34 (In construction)
Rangitoto College	L2 (L Block Soft Tech)	Three-storey teaching block	26 (Proposed to be demolished)
