Kia ora Daniel,

Thank you fro your email and support while assessing the bone found in front of 128 Spencer Road.

Our original suspicions in regard to the bone not being human has been confirmed by the DVI Officer for the Rotorua Police. He words being 'that the bone is not human, likely to be cow'. He is also ' happy for the bone to be disposed of and any works stopped can be resumed'.

Ngā mihi nui

Karen

Hi All,

We have discovered bones within our backfill material in front of 128 Spencer Rd.

The excavation area has been shut down and our team will move onto another area. We await for further instruction on when the works can recommence.
