I refer to your information request dated 14 September 2024 made under the Official Information Act 1982 (the Act):

I am requesting the grade distributions for all Semester 1 2024 300 and 400 level LAWS papers.

Secondly, I am requesting the grade distribution for the overall internal mark of all students enrolled in Semester 1 Jurisprudence LAWS302, 2024.

Finally, I am requesting the grade distribution of all student's marks for the LAWS302 Semester 1 Wai 2700 Mana Wahine inquiry 2024. That is, the grade distribution for this particular assignment of the internal assessment for LAWS302, (in addition to the grade distribution of the overall marks for all the internal assessment from LAWS302).

For all three requests I am asking for the specific percentage grades, not letter grades.

Subject to the following comments, please see attached the information you have requested. Please note that there are two pages in the attached spreadsheet, one for each subject:

- the data is correct as at 18 July 2024.
- we note that the grade and mark distributions for the papers: Semester 1, 2024 LAWS302; LAWS407; LAWS447, LAWS480, LAWS498 have not been finalised yet as the final grades for some students have not been confirmed. On that basis, we decline this part of your request pursuant to section 18(g) of the Act, as the information requested is not held by the University as at today's date. We would be happy to consider a new request from you at a later date if you still wish to receive this information.
- on occasions where fewer than five students have failed a paper (i.e. received a grade of Fail D, Fail E, Failed Compulsory Assessment or Failed Terms), we have determined that it is necessary to withhold the marks and specific grades for these students to protect their privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined or inferred, and their personal information (i.e. their marks) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.
- on occasions where fewer than ten students are enrolled in a paper, we determine that it is necessary to withhold the mark and grade distributions for these papers. As there were fewer than ten enrolments in the Semester 1 2024 LAWS450 paper, we have withheld the mark and grade distribution for this paper to protect students' privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined or inferred, and their personal information (i.e., their marks and grades) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.

- in the attached grade and mark distributions, we note that students who withdrew from the papers or received an Aegrotat Pass or Compensation Pass (not a grade or mark) are excluded from the data.

I trust that this information will be helpful.

In the above cases, we consider that good reasons exist for withholding information, and this is not outweighed by other considerations which would make it desirable, in the public interest, to make the information available.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Ngā mihi
