Dear Ministry for Primary Industries,

Thank you for your reply- OIA24 0594 OIA Release Letter

I noted "Nominations are now closed, and 16 nominations were received. 11 of these nominations have been identified as qualified vets, four as otherwise qualified (lay people), and one applicant was identified as not eligible for consideration. There were no nominations received from nominating agencies. "

May I ask how many vets vacancy you are currently seeking for and how many lay people vacancy you are currently seeking for? Also, what's the reasons or grounds for the "one applicant was identified as not eligible for consideration"?

Yours faithfully,

john luke
