### **New Zealand Claims Resolution Service Nomination**

Thank you for your letter of 20 April 2023.

I can advise on behalf of the President that the New Zealand Law Society nominates Emily Walton to become a member of the Legal Advisory Group.

As part of our process we consulted with the local Canterbury-Westland Branch of the New Zealand Law Society and Ms Walton appears eminently suitable for this role.

If you have any questions please do not hesitate to come back to me.
