File Ref: 15/00407

Dear Lianne Dalziel

Thank you for your official information request, received 19 June:

*What are the total number of:  
1/ work-related deaths and  
2/ serious injuries  
for each of the NZ ports from 2004 - 2014*

WorkSafe New Zealand (WorkSafe) received 224 serious harm notifications (notifications) for incidents at ports between 1 January 2004 to 31 December 2010. See Table 3 attached for more detail.

Port workplace fatalities between 1 January 2004 and 31 December 2014, and port serious harm data between 1 January 2011 to 31 December 2014 were previously provided on 7 July 2015.

You should note that this information may not be a full record of all serious harm notifications and fatalities. WorkSafe only collects data relating to 'on land' events. Other serious harms and fatalities may have occurred on vessels, which would be recorded by Maritime New Zealand.

If you require any further information, please contact [oiia@worksafe.govt.nz](mailto:oiia@worksafe.govt.nz).

Yours sincerely

Phil Parkes  
General Manager - Operational Policy
