Dear Cooper

I write regarding the Official Information Act (OIA) request you made to the School via email on Friday 20 September, 2024.

Please find attached copies of the documents requested as they pertain to engagement of private investigators.

You will see that some information has been redacted in the attached documents. The redactions have been made pursuant to s9(2)(a) and (b)(ii) of the OIA, as disclosing the redacted information would allow individuals to be identified, would be in breach of the Privacy Act 2020 and would likely prejudice the commercial position of the person who supplied the School with information.

The School's use of licensed professional investigation services have related to in-zone enrolment.

Where dates of service use are available these have been provided on corresponding documentation. These pertain to March, 2024 to June, 2024.

Your request for details of corresponding payments (to services provided) is refused pursuant to section 18(e) of the Act as it does not exist.
