Dear Mr Soar

**Transfer of Official Information Act request**

Thank you for your email of 25 June 2015 in which you requested, under the Official Information Act 1982, the total cost of incarceration of people for Cannabis related offences for a year, using the latest available data.

This is not information that the Ministry of Justice holds. It is possible that the Department of Corrections is able to assist you. I therefore transferred this request to the Department of Corrections you under section 14 of the Official Information Act.

Yours sincerely
