Thank you for your patience with regard to our extension of the response date, this afforded us the time to compile the information you have requested.

Please note that the link you provided that shows another agency's response is not live, so we cannot compare the response example. Additionally, for clarification, we have interpreted "supplier" as any entity providing goods or services to the Commission.

On this basis, I can advise as follows.

## Response

The information you have requested is attached as “Document 1. Suppliers – for OIA release”. Please note that personal information has been redacted (replaced by XXXXX), in reliance on section 9(2)(a) of the Act to protect the privacy of individuals. In making this decision, I believe the public interest does not outweigh the need to withhold this information.

Furthermore, please note that the Commission does not require suppliers to supply an NZBN - it is an optional field when setting up an account in our system. Therefore, we do not hold NZBN for all suppliers but this information is available publicly [here](#) by using the supplier names in the attachment. In this case, we rely on section 18(d) of the Act to not provide it here.

In terms of the Commission’s funding, you may be aware that we are funded by two non-departmental appropriations under Vote Environment: a main output expenses appropriation (titled ‘Advisory and monitoring function’) and a smaller capital expenditure appropriation (titled ‘Capital Contribution’). For each financial year, the details for this are available publicly in our Annual Reports, found here: [Annual Reports » Climate Change Commission](#). Please note that we do not generate revenue.

You have the right to seek an investigation and review of this response by the Office of the Ombudsman, in accordance with section 28(3) of the Act. Contact details for the Ombudsman can be found on their website at: [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz)

Please note that the Commission proactively releases its responses to requests made under the Act. This is to help ensure others can also have access to this information. As such, this letter will shortly be published on our website with your name and contact details redacted to protect your privacy.

Nāku noa, nā
