Dear Rodney

Thank you for your Official Information Act request, received on 26 November 2024.
You requested the following:

the analytical report HNZ provided to Treasury on Hospital & Specialist System productivity

Information being released

Please find enclosed the following document:

Date	Document Description	Decision
January 2024	Health New Zealand analytical report on Hospital & Specialist System productivity, as provided to the Treasury in February 2024	Released in full

While the report is labelled as a draft document, Health New Zealand has confirmed that it has not been superseded by a final version. Health New Zealand has made the following comment about the report:

The focus on productivity and service delivery performance is a regular part of service delivery review. Noting that this productivity report was prepared prior to the reset of Health NZ, therefore, some of the proposed activities identified in the future work programme may have been superseded by this reset work programme.

Please note that this letter (with your personal details removed) and enclosed document may be published on the Treasury website.

This reply addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Jess Hewat
