Tēnā koe Sam

Thank you for your request of 5 November 2024, to Fire and Emergency New Zealand requesting the following information under the Official Information Act 1982 (OIA):

1. *I would like to obtain information regarding deployable appliance requirements for structure fires, across zones for alarm levels in Auckland.*
 - a. *If you could also refine the meaning of 'zones' (what is it?). As is mentioned in other FYI requirements.*
 - b. *Is there a map of these zones?; and*
 - c. *How many zones in Auckland?*

This letter is to advise that Fire and Emergency needs to extend the timeframe of our response to your request by 10 working days, pursuant to section 15A(1)(b) of the OIA, as consultations necessary to make a decision on the request are such that a proper response to the request cannot reasonably be made within the original time limit.

For this reason, you can expect to receive our response no later than 17 December 2024. We will endeavour to respond sooner than this date if possible. If you no longer require this information, please let us know.

You have the right to request an investigation and review of Fire and Emergency's decision to extend the timeframe by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā
