Please give me a bell when you have a minute

He is declining Aaron's pass request

Any request for reasons please refer to the Speaker

Yesterday 12:23 PM

FYI newsroom may call you

Read Yesterday

Ok

Soeaker told me to refer them to him so will do that

Monday 11:56 AM

Hi Hamish I am in a meeting till 1pm. I can speak after that

I think Tim's story is utterly misleading and omits that Newsroom acknowledged Aaron's behaviour was not acceptable, provided assurances that it would take steps to mitigate possible issues, then failed to take them.

We don't agree with that Hamish.

Have you spoken to Laura?

I discussed this with you yesterday, and you didn't dispute it.
