Official Information Act 1982 request for information on the Workday Implementation at Callaghan Innovation

Thank you for your email of 16 November 2024 requesting, under the Official Information Act 1982 (the Act), the following information:

Please provide information on the full cost of the implementation of Workday, the ongoing running costs of Workday per annum, and Finance Team staff count pre and post the Workday project including contractors.

Please also provide any business cases, proposals, RFPs, tenders, post implementation reviews, or other similar documents which form the justification of investment into Workday rather than dynamics business central/NZ based HR platforms

The Act requires that we advise you of our decision on your request no later than 20 working days after the day we received your request.

Unfortunately, it will not be possible to meet that time limit, therefore we are writing to notify you of an extension of the time to make our decision. This extension is necessary because Callaghan Innovation must undertake consultations with impacted third parties.

In addition, the time period for reply is impacted by the Christmas/Summer holidays. A three-week period that doesn't count as 'working days'. This period is 25 December 2024 to 15 January 2025, inclusive.

In the case of your request, a proper response cannot reasonably be made within the original time limit, and we are extending the time frame by 20 working days to accommodate the required consultation and Summer holiday period.

You can expect a response on or before 3 February 2025.

You have the right to seek an investigation and review by the Ombudsman of this decision to extend the time frame for reply. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss any aspect of your request with us, including this decision, please feel free to contact us via ministerial.services@callaghaninnovation.govt.nz.
