INFORMATION REQUEST

On 25 November 2024 you asked for CCTV camera details. Here is our response to your questions:

- 1. A list of all public facing CCTV cameras owned or operated by Tauranga City Council (TCC) and Council Controlled Organisations (CCOs) where possible.**
- 2. A list of all Automatic Number Plate Recognition (ANPR) cameras owned or operated by TCC and CCOs where possible.**

For each camera identified by requests 1 and 2, please include in a spreadsheet the GPS coordinates, a description of the location, and the brand and type of camera (e.g. Axis PTZ 360).

Please see the attached spreadsheet. Council operates but is not always the owner of each camera. We do not hold specific GPS coordinate data or keep a 'location' field in our dataset for these assets. The location is identified by the camera title.

- 3. A list of all planned public facing CCTV cameras to be installed by or on behalf of TCC and CCOs where possible.**

We are planning to install a new camera at May St, Mount Maunganui to address safety concerns around the carpark and laneway.

- 4. A list of all planned ANPR cameras to be installed by or on behalf of TCC and CCOs where possible.**

None.

For each camera identified by requests 3 and 4, please include in a spreadsheet the GPS coordinates of and/or a description of the planned location, the brand and type of camera (e.g. Axis PTZ 360) to be installed, and the planned installation date or timeframe if known.

Please see the attached spreadsheet.

This request and the response have been considered under the LGOIMA¹. We do not hold GPS location data for each camera that we operate and this information would need to be created in order to respond to your request. This part of your request is declined under section 17(g) *the requested information is not held by Tauranga City Council*.

If you are not happy with this response you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

This response may be published on our website. All personal information will be removed.
