23 December 2024

Emilia Sharp

By email: fyi-request-29319-33bd4d16@requests.fyi.org.nz

Dear Ms Sharp,

Official information request for a list of all public facing CCTV and all Automatic Number Plate Recognition (ANPR) cameras owned or operated by Dunedin City Council (DCC) and Council Controlled Organisations (CCOs).

I refer to your official information request dated 25 November 2024 for:

1. A list of all public facing CCTV cameras owned or operated by Dunedin City Council (DCC) and Council Controlled Organisations (CCOs) where possible.

2. A list of all Automatic Number Plate Recognition (ANPR) cameras owned or operated by DCC and CCOs where possible.

For each camera identified by requests 1 and 2, please include in a spreadsheet the GPS coordinates, a description of the location, and the brand and type of camera (e.g. Axis PTZ 360).

3. A list of all planned public facing CCTV cameras to be installed by or on behalf of DCC and CCOs where possible.

4. A list of all planned ANPR cameras to be installed by or on behalf of DCC and CCOs where possible.

For each camera identified by requests 3 and 4, please include in a spreadsheet the GPS coordinates of and/or a description of the planned location, the brand and type of camera (e.g. Axis PTZ 360) to be installed, and the planned installation date or timeframe if known.

Your request was transferred in part to Dunedin City Holdings Limited (DCHL)

insofar as it relates to Council Controlled Organisations (CCOs) within the DCHL group. We **received your request on 27 November 2024.**

Part of the information you have requested is below. However, parts of the information requested have been withheld pursuant to sections 6(a), 6(b), 6(c), 7(2)(d) and 7(2)(e) of the Local Government Official Information and Meetings Act 1987.

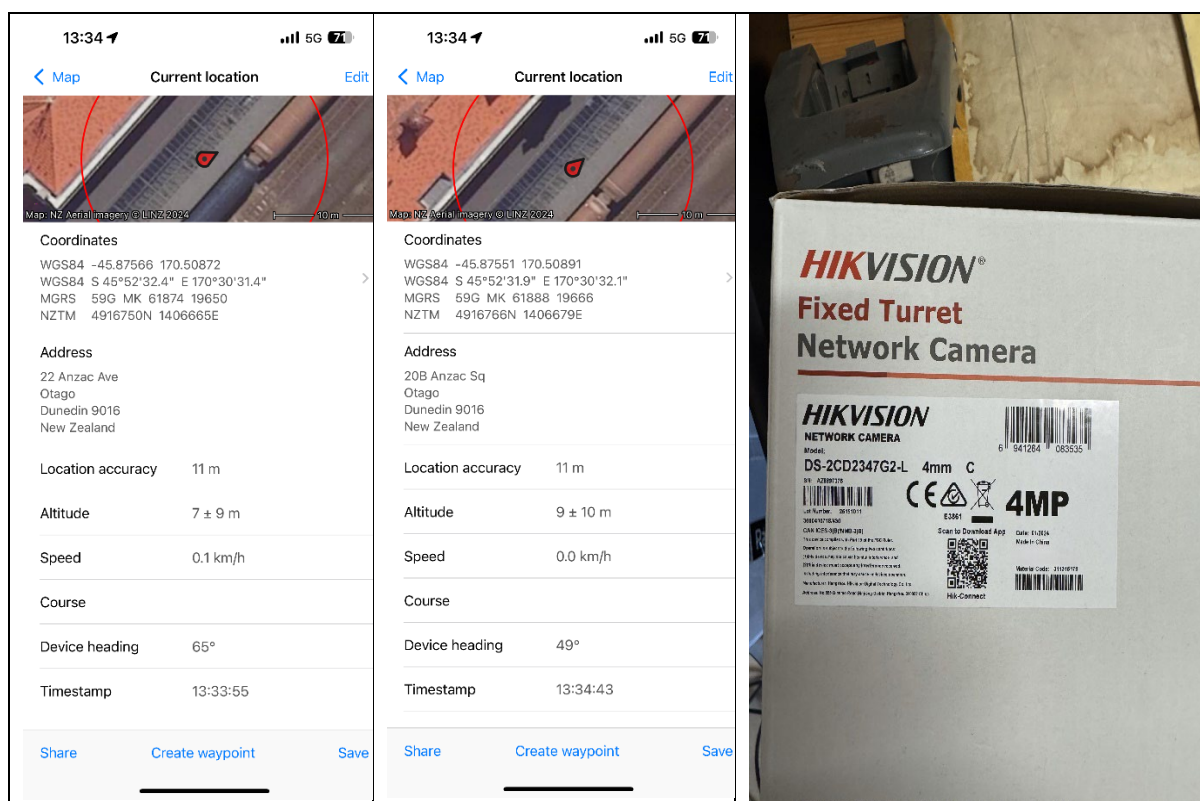

Dunedin Venues Management Ltd (DVML) operates CCTV cameras as set out below.
None of the cameras have ANPR function:

Camera Number	Location/Description	Camera Make/Model

50	Bramwell Lounge	AXIS M3047-P Network Camera
52	L3 West Corridor	AXIS P3225-V Mk II Network Camera
53	L4 East Corridor	AXIS P3225-V Mk II Network Camera
57	Leith Barrier Arm	AXIS P3235-LVE Network Camera

Dunedin Stadium Property Ltd (DSPL) – cameras relating to Forsyth Barr Stadium are listed as above with DVML.

Dunedin Railways Ltd (DRL) has provided images as below:

Aurora Energy Ltd operates cameras at several of its network substations. While some of these cameras have Automatic Number Plate Recognition (ANPR) capability, this functionality has not been activated, and Aurora Energy does not operate any cameras with ANPR enabled. Details regarding the number, location, and brand of cameras owned and operated by Aurora Energy are withheld under the following provisions of the Local Government Official Information and Meetings Act 1987 (LGOIMA):

- Section 6(a): to prejudice the security or defence of New Zealand or the international relations of the Government of New Zealand
- Section 6(b): to prejudice the entrusting of information to the Government of New Zealand on a basis of confidence by—
 - (i) the Government of another country or an agency of that Government; or
 - (ii) any international organisation (as defined in section 2(1) of the Official Information Act 1982)

Additionally, subject to sections 6, 8, and 17, this section applies if, and only if, the withholding of the information is necessary to the following provisions under section 7(2) of LGOIMA:

- (d) avoid prejudice to measures protecting the health or safety of members of the public
- (e) avoid prejudice to measures that prevent or mitigate material loss to members of the public

The cameras are owned and operated in accordance with Aurora Energy's Information Disclosure Policy and are used to ensure the security of buildings, people, and property.

Dunedin International Airport Limited (DIAL) refuses to provide a list of all public-facing CCTV and Automatic Number Plate Recognition (ANPR) cameras owned or operated by Dunedin City Council (DCC) and its Council-Controlled Organisations (CCOs). This refusal is made under the Local Government Official Information and Meetings Act 1987 (LGOIMA) for the following reasons:

- Section 6(a): to prejudice the security or defence of New Zealand or the international relations of the Government of New Zealand
- Section 6(c): to prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial

Disclosure of this information would impact operational and aviation security and safety, noting that refusal under section 6 grounds does not require consideration as to whether the interest in withholding is outweighed by countervailing public interest considerations.

The following reasons for withholding official information also apply in order to: Additionally, the following provisions under section 7(2) of LGOIMA apply:

- (d) avoid prejudice to measures protecting the health or safety of members of the public
- (e) avoid prejudice to measures that prevent or mitigate material loss to members of the public

DIAL believes that these reasons further support the withholding of the requested information, as the public interest in disclosure is outweighed by the need to maintain security and safety.

The following subsidiaries have confirmed they **do not own or operate any public-facing CCTV or ANPR cameras**:

City Forests Ltd
Delta Utility Services Ltd
Dunedin City Treasury Ltd

As we have withheld information, you have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz.

Yours sincerely

Kirstie Gillon-Wood
Executive Assistant
