**Date:** 11 July 2024

**Time:** 9.00am – 4.00pm

**Location:** MBIE Stout St offices, Wellington

**Attending:** **Advisory Group Members:** David Tapsell (Chair), Mark Davey, Murray Parrish, David Hunt, Rosie Mercer (online), Vaughan Wilkinson (Members).

**Officials:** Abby Cheeseman (MBIE Policy Director), Sarah Langstone (MBIE Policy Advisor), Stephanie Frame (MfE Manager).

### ITEM ONE: INTRODUCTION AND CONFLICTS DECLARATION

David Tapsell's (Chair) flight was delayed so David Hunt stepped in to Chair the meeting until he arrived (around 11am). Conflicts were provided ahead of the meeting, and through out the application discussion (perceived), the Secretariat added these to the register.

### ITEM TWO: PRESENTATION FROM SECTOR BASED OFFICIALS – MHUD

Reed Inwood, David Shamy and Natasha Tod joined the meeting to give a presentation on the priorities for Ministry of Housing and Urban Development (MHUD). The Group had time to ask the MHUD officials specific questions relevant to their assessment process. MHUD spoke to the documents they had shared and outlined some of the constraints that slow down development. They gave some advice on what could be considered regionally significant, but typology along with size and location was crucial to assessing significance.

After the MHUD conversation, The Group discussed that the Bill doesn't allow them to grant a plan change, but you can grant a resource consent. The s 9(2)(g)(i)

The Group discussed housing projects and what they considered is significant. MHUD had given the Group a steer on what would be significant for each region. The Group discussed that affordable housing may be ranked higher given they would be helping to alleviate the housing pressures for first home buyers.

## ITEM TWO: UPDATE FROM OFFICIALS

Officials updated the Group on the cross-agency briefing they are currently working on. It is likely to go up on Monday 22 July.

The Chair updated the Group on a request from EDS and the reply that will be sent back.

## ITEM THREE: SECTOR PRIORITISATION DISCUSSION

For each sector, the Group discussed their thinking behind the prioritisation of each sector and subsector and how that would inform the narrative text in the recommendation report. They made some decisions on ranking and how best to ensure consistency throughout their rankings.

The Group decided to change name of the Urban Development Section to Housing and Land Development.

The Group noted that applications that were solely seeking a plan change would be not listed as the Group cannot grant a plan change.

The Group discussed the fact that reconstenting where it adds new power is good and will be ranked more highly than those that are just reconstenting for cost/efficiency. It will not rank as highly as a project that is adding new supply.

## ITEM THREE – OUTSTANDING RESPONSES

The Group considered responses to questions and a few outstanding responses.
