Subject:	Response to close out of test reports for EMC and Mainline Test of Propulsion System, and Variation 65 Johnsonville Running Time		

Dear Mr Gordon,

Thanks for your letter date 21<sup>st</sup> August 2013. HR appreciates that M1 outstanding TDSS for two Type Test Reports (EMC and Mainline Test of Propulsion System) have been NR'd and Variation 65 is not required anymore as the relevant specification has been concluded as YES in accordance with RFATD.

Now we confirm these outstanding issues are closed out.

Yours Sincerely

JB Kim
