Dear Cody

**Request made under the Official Information Act 1982**

Thank you for your email of 27 January 2024 requesting the following information under the Official Information Act 1982 (the Act):

*Please provide further information on the proposed "Progress intersection improvements on SH1 Hornby to improve safety and reduce delays caused by crashes.", as referred to in the 2024–27 NLTP.*

*For example, what intersections may be covered and with what kinds of treatments? Is NZTA considering a Hornby Bypass, for example via. Pound Round?*

The scope for this project has not yet been finalised or determined as a business case has not yet been started. NZ Transport Agency Waka Kotahi (NZTA) intends to start investigating this project in 2025/26 subject to funding approvals.

In line with NZTA policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with NZTA, please contact the Ministerial Services team by email to [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely
