**Re: Official Information Act Request CDHB/G 9177**

Dear R J Kelly

We are in receipt of your request under the Official Information Act (1982), dated 5 August 2015 and subsequently transferred to us from the Ministry of Health yesterday requesting the following information.

- **All contact details for the internal numbers and external numbers for calling all hospitals and medical clinics under the Christchurch District Health Board. This is to provide patient care to a social cause that is embargoed.**

As required under the Official Information Act (1982), the Canterbury District Health Board will respond to your request within 20 working days from receipt of your request. You should therefore receive a response on or before 8 September 2015.

If a large amount of information has been requested or if the Canterbury District Health Board needs to consult in order to make a decision, we may need to extend this date (this is provided for in section 15A of the Act). We will advise you if such an extension is necessary.

Yours sincerely

Wayne Turp
