Dear Mr Apperley

Official Information Request Response

Thank you for your information request, submitted via the FYI.org.nz website on 1 September 2015, requesting information on the Council's Capital Expenditure for 2014/15.

Specifically, you asked:

Can you please provide a spreadsheet of the detailed capital expenditure for the financial year 2014 - 2015.

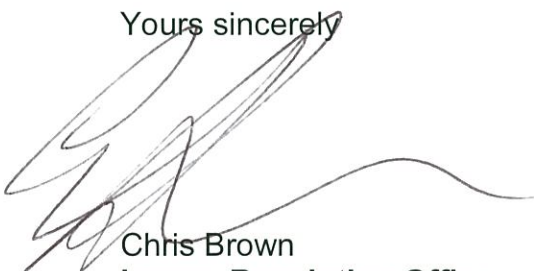

This should include the capital item, any detail on what it is, when it was purchased, the value, and which area it was assigned to (i.e. Information Technology).

It does not need to include who it was purchased from, i.e. the supplier.

The information that has been asked for is at a very high level of detail that would take a considerable amount of time to bring together. The information provided on the attached spreadsheet is more detailed than will be included in our Annual Report for 2014/15. It breaks down capital expenditure to the strategy level and the activities within those strategies.

Please contact me if you have any questions.

Yours sincerely
