Dear Cinnamon Whitlock

Transfer of request for official information to All District Health Boards

Thank you for your request for official information, received on 7 September 2015, requesting:

Which of the 20 DHBs; currently deliver services against the "Maternity Services - DHB funded Pregnancy and Parenting information and education Tier 2 Service Specification"

How long has the Pregnancy and Parenting information and education service been in place within those identified DHBs and what are the names of the providers who deliver those services?

The Ministry does not hold the information you have requested. However, I believe that the information you have requested is more closely associated with the functions of the District Health Boards.

As a result, I have decided to transfer your request to all the District Health Boards under section 14 of the Official Information Act 1982 (the Act).

You have the right, under section 28 of the Act, to ask the Ombudsman to review my decision to transfer your request for information.

Yours sincerely
