Dear Cinnamon

Re: Official Information Act request – Pregnancy and Parenting

Thank you for your Official Information Act request received 11 September requesting the following information of Waitemata District Health Board (DHB):

- *Which of the 20 DHBs; currently deliver services against the "Maternity Services - DHB funded Pregnancy and Parenting information and education Tier 2 Service Specification"*
- *How long has the Pregnancy and Parenting information and education service been in place within those identified DHBs and what are the names of the providers who deliver those services?*

In response, I can advise that Waitemata DHB is in the process of engaging providers through a Request for Proposal (RFP) to provide services under the new service specification. As such, Waitemata DHB does not currently deliver services under the new specification.

I trust this information will satisfy your request.

Yours sincerely
