Dear Cinnamon

Subject: Official Information Act request Re: pregnancy and parenting

Thank you for your request for information under the Official Information Act transferred from the MOH and received by Lakes DHB on 13 September 2015. You have asked:

1. *If Lakes DHB currently delivers services against the "Maternity Services- DHB funded Pregnancy and Parenting information and education Tier 2 service specifications".*

Yes

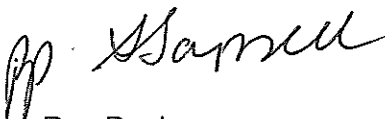

2. *How long has the Pregnancy and Parenting information and education service been in place at Lakes DHB and what are the names of the providers who deliver those services?*

We have had these services in place since the service specifications were developed in July 2014. The services have evolved over time to meet the unique needs of our population.

Our providers are:

- Taupo Parents Centre
- Rotorua Parents Centre
- Tipu Ora (Rotorua)
- Rotovegas Youth health (Rotorua)
- Anamata Café (Taupo)
- Awhi Midwives. (Turangi)

Yours sincerely

Ron Dunham
Chief Executive
