Dear Ms Whitlock

Official Information Act request – pregnancy, parenting and education

We are in receipt of your email dated 14 September 2015, in which you request: "*Which of the 20 DHBs currently deliver services against the Maternity Services, DHB-funded Pregnancy and Parenting information and education Tier 2 Service Specification?*"

"How long has the service been in place within those identified DHBs and what are the names of the providers who deliver those services?"

Please be advised that:

- (a) Whanganui DHB currently delivers services against the Pregnancy and Parenting Information and Education and it is fully implemented.
- (b) The current provider, Whanganui Regional Health Network has been providing the education since 2013 with DHB staff providing the education prior to this. All education has been to the appropriate service specification (note that the specification has changed during this period).

Should you have any queries regarding this information, please contact the OIA co-ordinator: tricia.wells@wdhb.org.nz

Yours sincerely

Julie Patterson
