Dear Ms Whitlock

We received the transfer of your request on 11 September 2015 requesting information under the Official Information Act 1982, regarding Parenting and Pregnancy at Wairarapa District Health Board (DHB).

Request:

How long has the Pregnancy and Parenting information and education service been in place within those identified DHBs and what are the names of the providers who deliver those services?

Response:

Wairarapa DHB has not implemented the tier two service specifications for pregnancy and parenting education. Education is provided through the local Parents' Centre that contracts directly with the Service Integration and Development Unit for Wairarapa, Hutt Valley and Capital Coast DHBs. This contract uses the Tier two service specifications.

Yours sincerely

Adri Isbister

Chief Executive

Wairarapa District Health Board
