Mr Samuel Fraser  
[fyi-request-314-df8099dd@requests.fyi.org.nz](mailto:fyi-request-314-df8099dd@requests.fyi.org.nz)

Dear Mr Fraser

**Request for Information – Staff & Reorganisation**

I write in reply to your email dated 25 May 2012 in which you requested the following information:

- (1) A list of all positions directly employed by the Council and the number of staff in each of those roles; and
- (2) Any briefings, reports, advice, transcripts, notes, correspondence, aide memoires or any other documents regarding any proposal to amalgamate the Council with neighbouring Councils.

I respond as follows:

With regard to item (1) above, please find attached a list of the positions employed by Tauranga City Council and the number of staff employed in each of those positions. Please note that this list does not specifically identify those positions that are part-time. Furthermore, the listing does not identify positions for which there are current vacancies.

In respect of item (2) above, I can advise that Tauranga City Council is not aware of any current proposals to amalgamate this Council with any other neighbouring Council(s) and thus your request is declined in accordance with section 17(e) of the *Local Government Official Information and Meetings Act 1987* on the basis that the documents alleged to contain the information requested do not exist. Please note that you have the right to complain to the Office of the Ombudsmen should you wish to challenge this decision.

Yours sincerely

Dean Riley

Obviously, because it's me and I'm a few marbles short of a match, we should double check that there has been in fact no proposal but I'm fairly sure it is something I would remember. So we'll run the response past Stuart just to be sure.

Thank you.

Yes - Jeremy kindly pointed out i was losing my marbles regarding Sam too... (there's a story but i won't bore you - let's just stick with losing my marbles).

Any briefings, reports, advice, transcripts, notes, correspondence, aide memoires or any other documents regarding any proposal to amalgamate the Council with neighbouring Councils.

As to the second part of his request - i think the answer is 'none'.

There has in fact been no proposal to amalgamate TCC with neighbouring councils. Ergo there can be no notes, correspondence etc.

That would be how we should handle it.

Hey Elizabeth

Happy to have a chat about this.

The request came from Samuel Fraser, not Fisher - so it seems that it is not the person you know from LGNZ and therefore he will not be able to assist us. This is unfortunate. That we have a name and are able to email him using the address below, is sufficient to enable us to respond.

However, the person making the request is required to specify with due particularity what it is that they are seeking

Whilst I think that HR could provide the information requested regarding position titles and number of positions, the 2nd part of the request is the one that is probably more difficult.

We can withhold on grounds specified in sections 7 and 17 of LGOIMA (one of these being that the request is frivolous or vexatious - but the difficulty would be in demonstrating that).

I think that it would be helpful in the very least to request that he put a timeframe around this part of the request (is he wanting information relating to current proposals / is he wanting information over a period of time?) and I also think that we should be advising that responding to the request will invoke a charge of \$58 per hour including GST after the 1st hour. We will need to provide an estimate as to how long we think it will take to respond to the same, and have him confirm in writing that he is agreeable to meeting that cost before we proceed with processing the same.

Any additional information you are able to provide would be welcome. Let me know what your thoughts are regarding the proposed response.  
Take care, Kirsty

Please note the weird email address this request originated from and, if you click on the links down the bottom, it appears this is some kind of public internet space for private citizens (whatever that means) to 'test' and publicise the OIA responses of organisations like ours.

Every response we send to them is made public - although i can't find out where. And my email to "Sam Fisher" has not been responded to.

The reason i'm highlighting this is that the effort involved could be wasted if the request is simply a test or is vexious (is there such a word?).

Since you two are the experts in OIAs would you like me to continue to investigate before we respond? I can seek the advice of a number of clever colleagues who may be able to shed some light. But if you already know the answer to my quandary then please advise me.

Thanks

Hello "Sam Fisher"

Are you the Sam Fisher I knew in Wellington when I worked at Local Government New Zealand?

Please will you let me know more about who is actually enquiring? Like is it a media organisation, private citizen or some other organisation?

Just being nosy.

Hello "Sam Fisher"

Are you the Sam Fisher i knew in Wellington when i worked at Local Government New Zealand?

Please will you let me know more about who is actually enquiring? Like is it a media organisation, private citizen or some other organisation?

Just being nosy.

Cheers

Please note the weird email address this request originated from and, if you click on the links down the bottom, it appears this is some kind of public internet space for private citizens (whatever that means) to 'test' and publicise the OIA responses of organisations like ours.

Every response we send to them is made public - although i can't find out where. And my email to "Sam Fisher" has not been responded to.

The reason i'm highlighting this is that the effort involved could be wasted if the request is simply a test or is vexious (is there such a word?).

Since you two are the experts in OIAs would you like me to continue to investigate before we respond? I can seek the advice of a number of clever colleagues who may be able to shed some light. But if you already know the answer to my quandary then please advise me.

Thanks

Subject: Official Information Act request - staff

Sir/Madam,

Under the Local Government Official Information and Meetings Act I request the following information:

A list of all positions (job titles) directly employed by the Council, and the number of staff in each of those roles.  
Any briefings, reports, advice, transcripts, notes, correspondence, aide memoires or any other documents regarding any proposal to amalgamate the Council with neighbouring Councils.

I note that according to the LGOIMA response calculator on the website of the Office of the Ombudsmen, I should receive a response to this request on or before 25 June 2012.

I would appreciate acknowledgement of this request.

Regards,  
Samuel Fraser
