Dear Dave

Thanks for this decision. Could you advise quite what sort of monitoring you expect and the consequent cost?

I'd like to develop several other figures - John Plimmer (and dog but maybe you won't allow that so just hat and cane) along Lambton Quay, Carmen along Vivian, Ghuznee and Cuba and a few others - soldiers at Pukeahu have been suggested.

What do you think about the process for these - should we enter a period of design and consultation and do them as a bulk application?

I also would suggest you fundamentally challenge the regulation drawing of a standard human figure to be so definitively conveyed as a male (wide shoulders, narrow hips).

Warm regards
Celia
