Dear Samuel

**Local Government Information Meetings Act Request**

Please find attached a list of all positions (job titles) of staff directly employed by the Timaru District Council.

We have not had any proposals to amalgamate the Timaru District Council with neighbouring councils therefore we do not hold any briefings, reports, advice, transcripts, notes, correspondence, aide memoirs or any other document pertaining to this request.

Yours sincerely

A handwritten signature in blue ink that reads "T. Heap".
