Dear A D Tait

Re: Official Information Act Request – Our Reference 2015/188

Thank you for your letter received by Capital and Coast District Health Board (CCDHB) on 14 October 2015, in which under the Official Information Act 1982 you requested information relating to prospective male-to-female sexual reassignment surgery providers.

After discussions with both the Endocrine Service and the Surgical Services it has been identified that CCDHB does not hold information on prospective male-to-female sexual reassignment surgery providers. This includes correspondence with prospective providers, assessments of providers or correspondence with other DHBs or specialists.

You have a right to seek a review, under section 28(3) of the Official Information Act, by way of a complaint to the Ombudsman, about the information that has been provided to you.

Yours sincerely
