Dear Mr Edwards

Thank you for your email of 3 November 2015 requesting the following information under the Official Information Act 1982 (the Act):

*Can you please be so kind and to email or send to the address below, exact GPS location co-ordinates and a location description of all the areas where taxpayer funded rural broadband cell towers have been built or are planned to be built.*

In response to your request, the attached document lists the Global Positioning System (GPS) coordinates for 154 sites around New Zealand.

It should be noted that these sites are not taxpayer funded; Rural Broadband Initiative cell towers are funded via the Telecommunications Development Levy (TDL) from industry contributions. Further information on the TDL can be found at [www.comcom.govt.nz/regulated-industries/telecommunications/industry-levy-and-service-obligations/telecommunications-development-levy-tdl/](http://www.comcom.govt.nz/regulated-industries/telecommunications/industry-levy-and-service-obligations/telecommunications-development-levy-tdl/).

Yours sincerely

Mark Heffernan
