Fyi-request-3379-1369301e@requests.fyi.org.nz

Dear B.L. Wilson

Your request for official information (Ministry reference H201505480)

Thank you for your request for official information, received on 18 November 2015. You requested information on:

1. The funding given, in total, to all NGOs from the Ministry of Health for the past five years, in a year by year breakdown;
2. The amount of funding given to each NGO specifically, for the past five years, in a year by year breakdown;
3. If possible, a list of all NGOs that provided for funding from the Ministry of Health in the past five years - regardless of whether or not it was successful (and it is not needed to know whether or not it was successful).

Appendix One provides the information you requested for points one and two. The figures provided are the contracted amounts per financial year for purchasing specific health or disabilities services, provided by an NGO (not-for-profit non-government organisations). The Ministry only purchases services (or occasionally provides a subsidy where a specific funding appropriation permits, such as the Drinking Water Capital Assistance programme); funding isn't given.

Please note that the Ministry's IT systems do not capture whether a provider of a service is or isn't an NGO. The list provided has been compiled based on a manual review of the provider's legal entity (for example including trusts, incorporated societies and marae), so as such will not be a definitive list. It may also exclude some payments made to NGOs for claims, for example carer support or respite care.

In regard to point three; the Ministry of Health procures services largely through competitive tendering processes for specific health or disability services. Funding is not provided based on unsolicited requests for funding. Information on unsuccessful applications of tendering processes is not held centrally, and as such your request for this information is declined under section 18(f) of the OIA Act as it would require the Ministry to undertake substantial collation and research.

You have the right to ask the Ombudsman to review my decision to refuse aspects of your request.

Yours sincerely

Mike McCarthy
Chief Financial Officer
