Dear C Lill

Local Government Official Information and Meetings Act 1987

Re: job description CDAC / ACE

I refer to your email, which we received on 1 December 2015, requesting information about job descriptions and the structure of the Community Development Arts and Culture department at Auckland Council.

The Community Development Arts and Culture department (CDAC) is now known as Arts, Community and Events (ACE).

ACE's purpose and vision is: enabling connected, creative communities. All Aucklanders are actively engaged and participating in community life; key stakeholders champion ACE; Māori promote ACE as a role model Treaty partner; all communities are empowered.

Also included as part of this response are the following documents:

- Organisation charts which indicate the structure for each unit in the department
- Position Descriptions for each of the positions in the ACE structure.

Because there are such a large number of documents to provide, we have uploaded them to OneDrive for you. These can be accessed at the following link: <http://1drv.ms/1OF3L40>

If you have any further queries please contact me on 09 301 0101, quoting Official Information Request No. 9000139149

Yours sincerely
